"Igniting a New Vision: The Developing Journey of a Family Run Organization" is an easy-to-use tool for visually tracking and strategizing the development of a Family Run Organization. Goals, strategies, challenges, and resources are identified as easy-to-find destinations, fuel, road hazards, and roadside assistance. Learn the 9 Tips for successful travel. See the criteria most critical to a successful beginning. Target recommended accomplishments before crossing the "Bridge of Transformation" into the "Family Driven Frontier."

 This is the most creative strategic planning tool available for families developing family run organizations. Knowledge gleaned from more than 17 years of national experience with family run organizations has been poured onto this 2' X 3' MAP. Printed on high quality heavy paper, it comes to you folded to 12" X 9" for easy transportation.

 Track the story of your family run organization's growth and development right on the Map. Add the lessons you learn along the way. Return to the **Annual Federation Conference in 2007** and add your organization's charted journey to the Federation's **Gallery of Maps.**
