

# National Children's Mental Health Awareness Week

May 6 – 12, 2012

Join us in wearing a green ribbon during Children's Mental Health Week to spread awareness to the needs of children and youth with emotional, behavioral, and social disabilities and their families across America.

**Promote Awareness...Wear your green ribbon!!!!!!**

## WHY GREEN?

**Green signifies new life, new growth, and new beginnings.** Therefore, we wear green ribbons to raise public awareness, better the lives of children and youth with serious emotional disorders and show our support of these children and their families.
